CARDINAL CHATTER

Whittier High School Alumni Association/Educational Foundation

Winter/Spring 2012

Published Once or Twice a Year

President's Message

Greetings Alumni,

It's great to be back from our short hiatus we have had lots of activity and want to share the news with you. I would just like to say THANK YOU for keeping us in the forefront with your partnership we have been able to contribute academically to the students of our beloved WHS in ways that I know the students appreciate.

To start off the refurbishing of the Auditorium Mascot Mural has been completed and looks beautiful! Thank you, to the Class of 2010, 2011, 20th Reunion Class of 1991 and all the generous Alumni donations for making our Cardinal come alive.

We are gearing up for our 2012 Hall of Fame Event on April 22nd it's our chance to honor the accomplishments of our fellow Alumni and award scholarships to some very deserving students of Whittier High. Be sure to not to miss this event, mail in your reservation today. During the Hall of Fame we will also have a Silent Auction where we invite Alumni to participate in donating items as well as purchasing these wonderful items so that we may continue to fund the twelve scholarships that are furthering the educational dreams of our future leaders.

We have had the opportunity to make some positive impacts to the students who have been testing for the Advanced Placement (AP) classes. Many students are up for the challenge to take one or multiple AP classes during the year and every year there is a test for the students to get placed in these classes. Each test costs \$67 and multiple tests can become a burden for some families. The Alumni has been able to sponsor students during this testing period and help reduce the costs they face. I just wanted to share with you a message of "thanks" that we have received from a fellow Cardinal.

"Dear Whittier Alumni Association,

I am very grateful for your grand donation! It will really help my family support my studies and expand my education. I am very motivated to take all my AP tests and achieve the highest scores I possibly can. Your donation has enabled me to overcome a large financial issue and I am one step closer to my AP success.

Thank you very much from a proud Cardinal!"

Michele Montanez ~ 1988

It has been a great start to our 2011-12 School year! We just finished the first semester with great success and an incredible amount of positive energy on behalf of students and faculty!

Just a few bragging bullet points:

- Double digit increase again for our API scores!! We have increased by 260 points and are ranked in the 99 percentile for the State of California for our increased scores!
- 11 out of 14 of our courses tested by California Standards Tests have increased between 15 - 46 API points for students scoring proficient or advanced; our Algebra 2, and Physics students scored the highest in the district!
- Average Daily Attendance is up! (ADA is essential to school funding)
- We have the highest percentage of students enrolled in AP/honors courses in the district!
- Senior completion of A-G 4-year college entrance requirements is up!
- 100% of all seniors last year passed the California High School Exit Exam!
- And our 1st time CAHSEE test takers (10th graders) passing rate was 89%, higher than the district, county, or state average!

Our Alumni association continues to be instrumental in helping us improve each year! We appreciate their support and assistance in collaborating with the graduating classes of 2010 & 2011 that raised close to \$7,000 to repaint the class of '91 Cardinal on the west side of our Auditorium! It is so awesome!

WHS Alumni Association has also supported by providing:

- 12 WHS senior scholarships = \$13,000
- \$7,000 - financial aid to help students cover the cost of AP tests • \$500 - support for the CAPP (Cardinal Advanced Placement Program) for 6th - 12th grade student enrichment activities.
- \$5,000 - to the Cardinal Brigade for new instruments for the Jazz Band
- \$1,000 - for our Spring musical costumes
- \$500 for our Mock Trial competition fees (FYI - our court room artist won 1st place at the state level competition!!)

And many other projects for which our Alumni board so graciously supports whenever there is a need! Thank you to all alum for your generous contributions!!! "Once a Cardinal, always a Cardinal"

With great Cardinal Pride,

Lori (Peel) Eshilian ('72) - Principal of Whittier High School

o AUDITORIUM MASCOT MURAL REFURBISHMENT COMPLETE

The Cardinal Legacy that is most visible for drivers, runners, walkers, and flyers has been refreshed. The Class of 2010, under the leadership of the Class President, Melanie Peel, joining forces with the Class of 2011, and the 20th Reunion Committee for the Class of 1991 (the original donors) to refurbish the mascot painting. We are not sure if anyone realized just how much our "Cardinal" color had faded in 20 years. Thanks to technology and innovation, both the sun and seagulls will have less impact on our proud bird. You still have a chance to participate in the funding of this project, and you can step up with full knowledge that it will get done, because it is.

CARDINAL LEGACY ALIVE AND WELL

Nationally Acclaimed Superintendent, Principal, and Student to attend Hall of Fame and Scholarship Event on April 22, 2012 at the Whittier Radisson

Whittier Union High School continues to sustain its place of honor on the list of all-time great high schools in this country. The accomplishments of the last decade, much like the accomplishments of each of the previous eleven decades, are what keep the legacy alive.

Longevity of honor and consistency of character are the keys; and that is not always in unison with reputation. In the wisdom filled words of Coach John Wooden, "Don't worry about your reputation, focus on your character. Reputation is what other people think about you, character is who you are." At times over the last 25 years, some of the most boisterous doubters and outspoken naysayers were actually alumni. The reports often included seemingly remarkable recall of their high school years. The numbers of people who claimed to be able to provide specifics of the depth of faculty, the details of state funding, and precise behaviors of student body, during their own ages of 13 through 19, and all of this 20, 30, and 40 years in the past, well, it was just too amazing. Clearly, "the older they got, the better they were." Then the tendency to compare these memories with anecdotal stories of the current situation resulted in family traditions of WHS graduations being broken. All the while WHS prepared hundreds and thousands of students for college, jobs, and life. The legacy was sustained, and the rumors of the WHS demise were "greatly exaggerated."

So now, we look at today, the realities of Whittier High School and the documented success of the students, teachers, and administration. Starting in 2008, and continuing to the current year of the award, WHS was named by Newsweek as being in the top 1,500 high schools in the country. In 2010, 500 students graduated from WHS, and their statewide scores ranked them in the top category for the entire state. This is the class that championed the fund raising and planning for repainting the Cardinal mascot in the auditorium.

In 2011, WHS received the GOLDEN BELL AWARD from the CSBA for the exemplary success and innovative schedule that has changed the length of classes on a daily basis, and provided focused time for those who are excelling as those who need additional assistance. This design was implemented by our first Principal Alumnus, Lori Peel Eshilian, '72. The schedule design is now being implemented at cutting edge high schools throughout the state and across the country.

Our District Superintendent, Sandy Sanchez Thorstenson '73, was recently asked to speak with the Board of Directors of WestEd, a non-profit, multi-state agency dedicated to promoting excellence and equity in education through research and development. Whittier Union was one of eight school districts in the state selected to present because of its long term high performance, and was the only High School District asked to present.

For decades, the Boards of Education across America were inundated with statistics about the success of high school students from other countries. You may notice that those news flashes have ceased. Research found that the those students did not necessarily outperform students who were allowed to have a balanced life in high school and the pressure to perform in high school did not carry over to success in college.

WHS honors the students with the highest GPAs each year at a special event. The event was titled CARDINAL 75 more than a decade ago when the ceremony was limited to the top 75 students in the school. Last year the "CARDINAL 75" event honored 163 students. To be included in the recognition as a freshman, the student must have all A's. This year one of the students being honored at CARDINAL 75 is also a finalist for the National Merit Scholarships. The students included in this very selective group do not include any other students from our District.

Well, how about that? It appears the old alma mater is doing fairly well. We have produced a national acclaimed Superintendent, Principal, and Student. Two of our city council members are also alumni, along with nearly 70 members of our Hall of Fame. Please come to our event on April 22 at the Whittier Radisson. You will find out who has done great things in the past, who is doing great things now, and who will most likely be doing great things in the future.

The WHSAAEF Board meets the third Thursday of every month at 4:30 PM in the new WHS Faculty Lounge, on Lindley (next to the gym).

MORE FROM THE PRINCIPAL

Cardinal Pride is evident throughout our school, among students and staff!

Our facilities and grounds continue to improve. Our new cafeteria / multipurpose room, finished a year ago, will undergo decorative upgrades this summer to make it look like a 50's Diner! We already have a really cool juke-box! Come see it!

The south-side campus has under-gone a much needed face lift. We have a new practice field at the farthest south end, new pavers with intertwining walk ways, and beautiful planters throughout that create a park like setting. It is beautiful!

A beautification project has also been completed along Whittier Ave., including up-grades to the Horseshoe and front of the Auditorium with new pavers, new planters, and student seating areas! These projects serve- to increase our positive image in our local community!

VIC LOPEZ AUDITORIUM AND ORGAN UPDATE

New beautiful seats, fantastic Wurlitzer organ in the works, and now the District has announced that the Vic Lopez Auditorium is scheduled to get air conditioning!

The bad news is that it will delay the organ's installation, probably another year. However, teaming our job with the installation of air conditioning will save money and that's a big plus for all concerned. Our fund-raising is going well, but we are continuing to seek money for our project. It is our project, not the District's - and the organ's installation depends on us! So please consider giving and help bring this wonderful instrument to this equally wonderful building. It will not only benefit students, but music lovers all over southern California. Thanks for your support.

Bill Wood '41, Organ Chairman

ENGLISH TEACHERS HONORED AT 2011 HALL OF FAME EVENT

The three English teachers honored at the 2011 Hall of Fame event last April were Stephanie Hoffman-Krone, Vanessa Stewart and Alexa Nisbet. Principal Lori Eshilian reported that the English Department scores on the California High School Exit exam for 10th grade first time test takers showed an increase of 15% of students scoring proficient or advanced, which is the highest gain in the district. WHS students had an 89% passing rate on the exam which is also the highest in the district.

Stephanie Hoffman-Krone has an M.A. in Rhetoric and Communication Science from CSULB. She is the Speech Advisor and teacher of Honors Classes. Vanessa Stewart is working on her Master's in Educational Administration at Concordia University. She concentrates on leadership instruction and Senior Projects. Alexa Nisbet has a Masters in Education from the University of Phoenix. She worked with court schools and group home schools in Orange County prior to coming WHS. She specializes in teaching that population and English Language Learners.

Congratulations to the English Department. The members of the Alumni Association are proud of your accomplishments.

HAIL FELLOW ALUMNI

Greetings, Fellow Grads
Message from Richard Lantz and
Marj Moon Garrison, Class of 1948

All Hail! Our Hall of Fame Dinner is scheduled for April 22nd. Check it out. You will find Honorees for the years: '42, '44, '45, '51, '58, '59, 73.

The Hall of Fame not only recognizes distinguished graduates from Whittier High, but raises funds which enable deserving students to continue educational pursuits. It's a good thing! You will enjoy the evening!

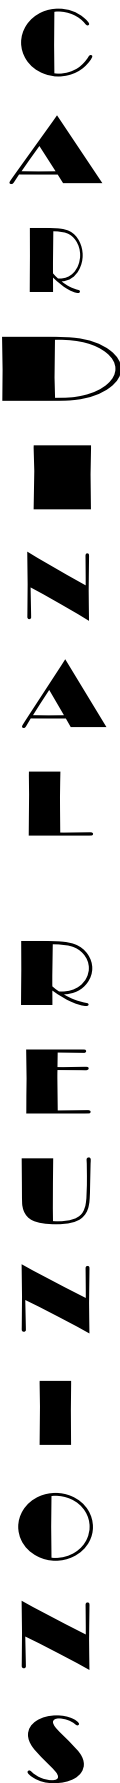

Ways to help: Contribute interesting and elegant Auction Items, such as: paintings, vases, sculptures, theme baskets, etc.

These can be sent to:
13024 Bailey Street
Whittier, CA 90601.

Some classes collected cash contributions. If this appeals to you, make out tax deductible check to WHSAAEF and mail to: PO Box 65, Whittier, CA 90608.

On to Victory!

Rich and Marj
Look forward to meeting you!

1947
